

## ACKNOWLEDGEMENT

The author wishes to express his sincere gratitude to his revered teacher, **Dr. M. M. Goswami**, Professor of Zoology, Gauhati University, Guwahati; and **Dr. M. Kakati**, Professor Department of Business Administration, Gauhati University, Guwahati for suggesting this problem and supervising the program throughout the course of investigations with rigor and subtlety.

Sincere gratitude and appreciations are due to **Dr. S.C. Dey**, Professor, Department of Zoology, Gauhati University, who introduced the author as a field investigator in the world of research.

The author is also grateful to **Dr. B. Chaudhury**, Head, and **Dr. S. Roy**, Curator, Department of Anthropology, Gauhati University, for their kind co-operation to study the departmental museum.

Particular gratitude are also due to the Principal, Rangia College, Rangia, Assam (where the present author is a lecturer) for his unstinted inspiration, help and encouragement in prosecuting this important work.

The author owes a special debt of gratitude to all faculty members of the Department of Zoology, Gauhati University, for their constant supports, critical comments and constant encouragement throughout the study.

Thanks are due to **Mr. A.K. Goswami** (Head), and all the faculty members of the Department of Zoology, Rangia College, for their constant inspiration and encouragement throughout the study periods.

The author will fail in his duty if he does not express his heartiest gratitude to **Dr. M. Sinha** (Director, CICFRI), **Dr. V.V. Sugunan** (Sr. Scientist), **Dr. M. Das** (Sr. Scientist), Librarian, and all the faculty members of Central Inland Capture Fisheries research Institute (CICFRI), Barrackpore, West Bengal.

To the authorities of K.K. Handique Library, Gauhati University and National Library, Calcutta, the author expresses his gratefulness for their co-operation in completion of this arduous program.

No less is the author's sense of gratitude to the villagers around the different study sites for their kind help and constant support to carry out the present research.

Thankful acknowledgement is also extended to **Dr. T. K. Deka** and all the boarders of the **V. V. Rao Research Scholars' Hostel**, Gauhati University, for their continuous support throughout the research period.

In fine the author is indebted to his parents and all the family members for their encouragement and positive gesture in completing this research work.
