

## **ACKNOWLEDGEMENT**

It is my proud privilege to offer my deepest sense of gratitude to **Dr. D. K. Sharma**, Professor, Department of Zoology, Gauhati University, for his able and expert guidance and constant encouragement during the course of this investigation.

I wish to express my sincere thanks to the authorities of the University and the Head of the Department of Zoology, Gauhati University for allowing me to utilize the laboratory facilities of the Department to complete the present research work.

I am also thankful to **Dr. R. K. Bhola**, Professor, Department of Zoology, Gauhati University and **Dr. S. B. Prasad**, Professor, Department of Zoology, North Eastern Hill University, Shillong for providing Dalton's lymphoma.

I also offer my heartiest thanks and gratitude to the authorities of Rangia College for allowing me to do my research work. My thanks are also due to my colleagues, Department of Zoology, Rangia College for their encouragement and unstinted support given to me during the period of research.

I am especially indebted to **Dr. C. R. Bhattacharyya**, Professor, Department of Chemistry; Assam University, Silchar, who helped me in the preparation of anticancer drug BRH<sub>2</sub> in collaboration with the Department of Zoology, Gauhati University. My thanks are also due to Mr. P. K. Baruah, who helped me in preparing the UV – Vis & Infrared Spectrograph of the BRH<sub>2</sub>.

I am thankful to Head of the Regional Sophisticated Instrumentation Centre (RSIC), Shillong for providing me the Atomic Absorption Spectrophotometer facility. I am also thankful to **Dr. S. Dey** of the RSIC for his help and expertise in doing the Scanning Electron Microscopic (SEM) study.

My sincere thanks are also due to the authority of the Institute of Advanced Study in Science and Technology for allowing me to carry out the Pixel intensity of gel. My thanks are also due to **Sri Jayanta Deka** who helped me a lot in some practical works.

I am also grateful to **Dr. N. N. Sarma**, Head of the Department of Zoology, Bajali College, Pathsala, who provided me facilities for Light Microscopic Photography.

I take the privilege to acknowledge my sincere gratitude to **Mr. U. C. Goswami**, Ex - Vice Principal of Rangia College for his painstaking correction of my linguistic flaws in the manuscript. I must also thank to **Mr. N. Barman**, Lecturer in Statistics, Rangia College for his valuable suggestions.

I must also thank **Dr. P.K. Singha**, who helped me with the computer typing of the thesis.

I will fail in my duty if I do not acknowledge the constant inspiration received from my parents, wife and other family members during the whole period of my research.

Last, but not the least, I acknowledge my gratitude to my friends and well wishers who encouraged me in this research work.
