

ACKNOWLEDGEMENTS

I consider it a privilege to be able to express my gratitude to all the people who helped me in carrying out this research work. My supervisor Dr. Phukan ch. Basumatary of Bodoland University, Kokrajhar has been a constant source of strength. His invaluable suggestions, critical analysis and arguments have given the thesis its final shape. This study is possible solely because of his support.

I am grateful to Late Amarendra kr. Sarma, my former Principal and Dr. Jogesh Kakati persent Principal of Rangia College for words of encouragement and facilitating my taking up the research.

From the very beginning, my departmental colleagues in the department of English, Rangia College, has been co-operative. I am grateful to them. Dr. Dipali Devi took special interest in the development of the project. She deserves a special mention.

I am also grateful to Prof. Dilip Bora, H.O.D., M.I.L. & L.S., Gauhati University for his valuable suggestions. Dr. Golokeswar Goswami's close scrutiny of the dissertation at an early stage, prevented many errors of style, arguments and spelling from entering into the final version of the thesis. I acknowledge his help. I would also like to thank other learned faculty members of M.I.L. & L.S. Department for their support and suggestions. I am greatly benefited by attending their classes during Ph.D. course work. I also owe a word of gratitude to Prof. Swarna Prabha Sainary of Bodo Department, Gauhati University for her help and for accommodating me as one of her family.

My colleagues from Rangia College Kabin, Phukan, Phulen, Ramesh, Gunamani and many others have helped me in many ways. Their company has made this journey

which at times appears monotonous, enjoyable. I also remember Dr. Manoj Goswami of M.S. Girls' College, Rangia, Anjan(Munna) of G.U., Pulak and Diju for their help. I thank all of them. I also express my gratitude to all the respondents to the questionnaire.

I am grateful to the University Grants Commission, firstly, for awarding me a MRP on a related topic in the year 2009 and secondly for awarding me fellowship under Faculty Development Programme to complete this study.

My thanks are also due to the staff of the K.K. Handique Library of Gauhati University, ICHR NER Library, Guwahati, IIT Library, Guwahati and Rangia College Library.

For DTP work, final setting and printing of the thesis I am thankful to Nishanta and Kamal.

I shall remain grateful to my parents Jyotish ch. Choudhury and Nilima Choudhury for their unconditional and untiring support. I also acknowledge the help of my sisters Jinti and Jili, Dr. Dandadhar Sarma, my brother-in-law and my in-laws. My little son Rishiraj (Guru) has been a constant source of inspiration and has helped me in more ways than he knows. My wife Dr. Rimki Bhattacharjya has been an integral part of this whole project. I thank her for equally sharing the pains and pleasures of my research.
